ACKNOWLEDGEMENTS

To Amy Hodges Hamilton,

For your guidance. For your mentorship. For your friendship. For your heart. For seeing me when I felt invisible. For lifting me when I was down. For believing in me when I couldn't.

You hear the Silent. You see the Lost. You heal the Broken.

An empowered woman who empowers women. The essence and engine of *Gir!PWRD*. Thank you will never be enough.

To Joel Overall and Sarah Blomeley,

Thank you for your unwavering support. Your excitement and commitment to my thesis from day one have filled me with joy. Even in times of upheaval, your trust in me to follow my aspirations meant the world. My project would not be complete without your guidance and input.

To Kim Henry,

My "fellow traveler." You are, without a doubt, the most kind-hearted, supportive, brave, smart, and compassionate woman I've ever met. Your knowledge and research contributed multitudes to my project, and I'm forever grateful for your encouragement, honesty, support, and friendship.
