

I hope that you will

ask to help me in days

you know I send some

from before the holidays

He is going to have a man

with the number from 11512

you had told me

now. He has a wife

parking

Thomson and get well; it

you drive I shall have to

get with Mrs. Cannon in

assessing of a few & me

some had in visiting to
him or I could not
see you.
Life of him, and he is
that know.

Strange you
back.
