Dear S. King
Seighson Ala.

Dear Sir
Your favour of 12th Inst. To my
wife and myself. is recd -
Whenever you elaborate
Belcher's Conscient^l you
had some ^{very} ~~very~~ objection.

We have full confidence in
her judgment, and would
not oppose such a decision
made by herself with
Philosophic caution seldom
exercised in other persons.

Her good opinion has
inspired us with exactly
comproportioning sentiments,
and we hereby tender ^{you} the
appliance of our very kindest
regards.

In heat from Birney.
