Will I am mighty lonesome  
to night I wish I was  
with you and I know you  
wouldnt get lonesome and  
I either would we. Will I  
just dont do nothing but  
think about you all the  
time I dont have nothing  
to do to keep me busy in  
I just study about you all  
the time. Will know how  
you didnt send your letter  
by Maathe Sue. But you  
sent it by Yessie R. It  
dont make any difference  
who brings and carries  
them just so we get them
